SCA01-590/S	Lock for folding stair	--		500	PZ
SCA01-590/M	Springs for Retractable Ladders (Pair)	--		4	PZ

#### Description

Additional step for both "Supra" ladder is available in widths of 300, 320 and 400 mm. Handle from landing to facilitate the getting in. Sticks and lock for scale. Packaged individually.

#### Material

Made of powder-coated steel.

#### Use

Used to increase the height of the floor-ceiling (allowing increased height up to 250 mm). It is recommended to add not more than one. The handle facilitates the access to the loft.
