Code	Commercial Description	Dimensions	Conf.	Pallet	Selling Unit
TER09-1123R	Anti noise rubber for adjustable Paving support - ...	h. 3 - ø 110 mm	600	5400	PZ

Description

Anti-noise rubber Diameter 110 mm, thickness 3 mm. Not available for ARKIMEDE 10.

Material

Made of rubber (EPDM)

Use

This product has to be placed on both the 3D-Scopic and ARKIMEDE Support heads for paving only (except for ARKIMEDE 10). It reduces walkover noise.
