

BELL SIPHON

Code	Commercial Description	Dimensions	Conf.	Pallet	Selling Unit
POZ07-6821N	Bell Siphon	300 x 300 mm		112	PZ
POZ07-6822N	Bell Siphon	400 x 400 mm	0	54	PZ

Description

The bell siphon is an accessory applicable to all our catch-pits. Available in the dimensions of 300 x 300 and 400 x 400 mm in Grey Colour

Material

Made of PP (polypropylene).

Use

It is used to create a "siphon effect" inside the catch-pits. It is very easy to apply, to inspect and structured to prevent the emission of bad odors due the stagnation of water. Perfect matching with the grating catch-pit cover.
