

CLAMP COVER

Code	Commercial Description	Dimensions	Conf.	Pallet	Selling Unit
TER26-6303	Clamp cover	unica	100	2000	PZ

Description

Scaffolding clamp covers for the signaling and protection of areas and/or elements on the construction site. Packed in boxes.

Material

Made of PP, yellow color, is particularly resistant to aging from exposure to the elements.

Use

Recommended to advise the presence of iron cod, iron tubes for reducing hazards and accidents arising from failure or lack of identification or non-use of PPE.
