

CLEANER FASTERFIX

Code	Commercial Description	Dimensions	Conf.	Pallet	Selling Unit
TER15-1753/CL	Cleaner for Polyhuretane adhesive foam dispenser	500 ml	12	0	PZ

Description

Cleaner is a solvent for the removal of residues of polyurethane foam in the inner parts of the dispenser.

Material

Solvent for polyurethane foams.

Use

Utilized as a cleaner for FasterFix dispenser before hardening of the foam, but as a spray to clean any soiled areas of polyurethane foam adhesive.
