ZIN35-1898/14	DK-FIX support plus	140 x 125 x 280 mm.	0	192	PZ
ZIN35-1898/16	DK-FIX support plus	160 x 125 x 280 mm.	0	192	PZ

Description

Support for mounting various types of external panels, made of CFC-free, rot-proof rigid polyurethane foam in black with three washers. DK-Fix Plus is available in three models that differ in maximum length and guarantee the same high load-bearing capacity. It also has pre-cuts (with 20 mm pitch) on the depth, making it extremely versatile and adaptable to various coat thicknesses

Material

PU (polyurethane) backing.

Use

Support element for the external mounting of elements (such as hinges for window frames or anchorage points) ensuring the absence of thermal bridges
