Description

Rigid, CFC-free and rot-proof support, reinforced with two aluminum plates. Element supplied with bag containing three dowels with screws for mounting. Sizes available from 80, 100, 120, 140, 160, 180 and 200

Material

Made of polypropylene with aluminum inserts

Use

Supporting element for external mounting of elements such as hinges for window frames or anchor points and ensures the absence of thermal bridges.
