ZIN20-7073	Galvanised Water Meter Box	600 x 500 x 250	3	9	PZ

#### Description

Made to cover water meters. Supplied with frame flush with the wall, lock and key. Packaged in box. Measurements refer to BASE x HEIGHT x DEPTH

#### Material

Made of galvanised sheet metal, it is particularly resistant to weathering.

#### Use

To cover and protect meters embedded in the wall, enabling their periodic reading.
