

PIPE COVER

Code	Commercial Description	Dimensions	Conf.	Pallet	Selling Unit
TER26-6305	Pipe cover	unica	100	5000	PZ

Description

Signaling for device and protection of areas and/or elements on the construction site. Packed in boxes.

Material

Made of PP, yellow colour. It is particularly resistant to aging from exposure to the elements. Coulored in high visibility red, to make it visible in the dark.

Use

To indicate the presence of iron pipes, reducing hazards and accidents arising from failure or lack of identification or non-use of PPE.
