POZ01-1374A	Green manhole 400 x 400 prepared for irrigation pi...	400 x 400		36	PZ

#### Description

Catch-pit PIPE CUBE for your garden. Green color and PP cover with handle included. Measuring 400 x 400 x 360 mm, with a removable integrated irrigation system. Internal predisposition to rewind the hose

#### Material

Made of PE-HD (high density polyethylene) and PP (polypropylene).

#### Use

It has to be recessed in the ground, it houses the garden irrigation system avoiding the use of buckets and hoses.
