POZ01-1373SNCI	Black Plus sump with cast iron grill B125	300 x 300		36	

Description

Monolithic sump 300x300 mm, available in black color. Main features:- Low weight for easy transport, positioning and installation, even by one person;- High strength, thanks to reinforcements and ribs on the sides;- Pipes of all sizes can be easily inserted thanks to the special concentric shape of the side holes. The sump is already equipped with:- B125 cast iron grating with anti-scale design;- Black bell trap already installed with a practical handle for quick and easy removal and cleaning.

Material

Made of PP (polypropylene) and cast iron grill

Use

It is used as an alternative to traditional concrete sumps for collecting surface water.
