Code	Commercial Description	Dimensions	Conf.	Pallet	Selling Unit
GRO02-3150M2	Pipe diameter 80 mm	2 m	5	24	CF
GRO02-3150M3	Pipe diameter 80 mm	3 m	5	24	CF
GRO02-3150R2	Pipe diameter 80 mm	2 m	5	24	CF
GRO02-3150R3	Pipe diameter 80 mm	3 m	5	24	CF

Description

Guttering downpipe for G125 gutters, with a diameter of 80mm. Protects walls from rain damage while guiding water to where it is drained.

Material

Made of UV ray-resistant PVC.

Use

Used for the collection and the drainage of roof rain water, connected to the roof guttering system.
