Code	Commercial Description	Dimensions	Conf.	Pallet	Selling Unit
TER15-1876	Re-Bouch-Trou - Spray Putty - 125 ml		12	840	PZ

## Description

Spray-filling filler, ideal for covering screw holes, small holes and/or cracks. Extremely easy to use, it requires no tools as the packaging (cap) is shaped like a spatula.

### Material

Made from emulsion resins and various additives. White colour.

### Use

On masonry, cellular concrete, plaster.
