

SPACERS

Code	Commercial Description	Dimensions	Conf.	Pallet	Selling Unit
TER05-5013	Spacers	60 x 55 x 80 mm	500	7500	PZ

Description

Spacer for glass brick in white color. Packaged in boxes of 500 pcs.

Material

Made of PP (polypropylene).

Use

Used to facilitate the work of putting in glass blocks, while keeping the width of the joints and avoiding contact between iron armor and the outer edge of the glass.
